Hunger is a serious problem in the bi-state region, but it is solvable. With the help of our partners, volunteers and donors, we're working together to build a healthier and more vibrant region.

With your help, Operation Food Search provides food and services to more than 200,000 people every month. This year we will distribute \$25 million worth of food and personal care items and provide community nutrition services to more than 330 community partners in 42 Missouri and Illinois counties..

HOW YOUR CONTRIBUTION HELPS FEED OUR COMMUNITIES

- \$25,000 provides 100,000 meals.
- \$10,000 feeds 400 families for one week.
- \$5,000 provides a local school with 1,000 emergency food sacks, each containing four weekend meals for kids.
- \$2,500 provides after-school meals for 750 kids.
- \$1,000 feeds a neighbor in need for three years.
- \$200 provides six months' worth of food for an individual.

BENEFITS

YOUR SPONSORSHIP MAKES A DIFFERENCE

Gifts of any amount make an impact in the fight against hunger since every dollar donated to help meet the immediate need provides \$10 in food and services.
