Neighborhood Assistance Program Tax Credits

Help Operation Food Search work toward ending childhood hunger and family food insecurity and receive Missouri tax credits! Some Missouri donors are eligible to receive 50% Missouri tax credits for their **donation of \$2,500 or more** to Operation Food Search. - banks and insurance companies
- are a shareholder in an S-corporation or a partner in a Partnership
- operate a farm

*****Please note that gifts from donor advised funds do not qualify for Missouri tax credits.*****

NAP credits can be used in conjunction with a **Feast for Change** or **Swing to Heal Hunger** sponsorship:

- If you utilize any of the benefits from your sponsorship—tickets or a foursome—you can receive NAP credits for the tax-deductible portion of your sponsorship.
- If you choose to forgo any of the benefits, you can receive YOP tax credits based on the full value of your sponsorship.
