

OFS 45th Anniversary Summer Food Drive

Social Media Content Examples

For Individuals:

I'm hosting a small food drive for Operation Food Search this summer because this is one of the hardest times of year to keep pantry shelves stocked.

@opfoodsearch is celebrating 45 years of feeding our community, and their goal is to collect 45,000 lbs. of food in 45 days. I'd love to help in whatever way I can.

If you'd like to contribute, I'm collecting shelf-stable items like canned proteins, boxed meals, rice, pasta, canned fruits and vegetables, and soups through June 26.

Even a few items can make a real difference for local families. ❤️

Message me if you'd like details or want to drop something off!

For Groups:

Help us celebrate 45 years of @opfoodsearch feeding our community by supporting the Operation Food Search Summer Food Drive!

We're collecting shelf-stable food items to help local families facing hunger this summer. Whether it's a few cans or a full grocery bag, every donation helps.

Most-needed items include:

- Canned proteins
- Canned fruit & vegetables
- Rice & pasta
- Boxed meal kits
- Soups, chili & stews

Message us for details/Donate at our location—the drive lasts till June 26.

Thank you for helping make a difference in our community. ❤️
